ABOUT JINDAL GROUP

Established in 1988, we leverage our experience and skills of 32+ years to provide exceptional quality projects. With a mix of senior generations expertise and the younger generations enthusiasm we aim to provide the best quality projects at the best prices. Jindal Group is the outcome of the efforts and work of three generations. We specialize in providing affordable homes. We currently have residential projects in the heart of Panvel city within municipal limits and CIDCO NAINA area.

Customer satisfaction is of key importance to us. We strongly believe in providing timely possession and in making the customer buying process smooth and hassle free. We believe in keeping maximum amount of transparency with our customers and building their trust is essential for us by delivering clear Title projects on time. It brings us extreme joy to say that we have build houses which have been converted to happy homes.
